Applying to Ramalynn Academy is an easy, 4-step process.

Schedule A Tour

Visit the school to learn more about how Ramalynn Academy can benefit your child! When you schedule a tour, you'll get the opportunity to meet faculty, observe our classrooms in session, experience the day to day environment of our school community, talk in-depth about our curriculum and education style, and ask any questions you may have.

Submit An Application

Once you've completed a tour of our school, the next step will be to complete and submit the Application for Admission Form and \$50 application fee.

Complete An Orientation

The orientation allows your child to spend time in the classroom, interact with our teachers and students, and experience our calm, nurturing environment for themselves. This also gives our teachers time to get to know your child and where they're at in their developmental journey, so we can prepare a unique, individualized plan to help them grow.

Enrollment

After the orientation is complete, our Head of Admissions, Cassy Ramalingam, will discuss with you the final steps for enrollment. The Enrollment Form and \$150 enrollment fee will be due to secure your child's placement.
